Welcome to Training & Placement of Rajgad Dyanpeeth's Shri Chhatrapati Shivajiraje College Of Engineering The Placement Cell plays a crucial role in locating job opportunities for Under Graduates passing out Students from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates. The number of students placed through the campus interviews is continuously rising. On invitation, many reputed industries visit the institute to conduct interviews at our campus.

We have been successful in maintaining our high placement statistics over the years and the fact that our students bear the recession blues with record breaking placements itself is a testimony to our quality. Our ingenious alumni have set new standards in the corporate world through their estimable contributions and it is my firm conviction that we will continue that legacy in the years to come.
