### Research policy for Faculty and Students

#### Vision:

Support for innovation, research to provide healthy environment.

#### Objectives:

- Establish healthy atmosphere for faculties and students to engage research by providing required infrastructure and necessary financial assistance.
- Keep faculties and students up to date with latest inventions in their field through seminars and workshops and faculty development programs.
- Equip students to solve relevant challenges through interaction with society.
- To encourage faculty to apply for intellectual property rights and patents.
- To promote research publications in reputed journals and conferences.

#### Composition of research and development cell:

- Dean research and Development – Chairperson.
- Project co-ordinator from each department – Members.

#### Motivating Faculty for Higher Education:

The institute has adopted a policy to inspire the faculties for higher education.

- To provide needed support at the time of admission for pursuing Ph.D.
- To make provision of study leave for the faculty pursuing Ph.D. in order to complete the research work.
- To make provision of duty leave in order to attend workshops, seminars, skill development, faculty development programs etc.

#### Motivating Faculty and Students for Conference, Publications and IPRS:

- The faculty can avail duty leave for attending the National / International conferences with prior permission of the head of the institute.

- Provision of financial assistance in the annual budget is made for the organizing national / international conferences, paper presentation, quiz competition, attending orientation programs, project competition, technical events etc.
- The institute also supports for getting patents (Intellectual property rights) in the respective areas of the faculty.

**Organizing / Attending Training Programs:**

- The institute provides workshop, laboratory facilities, computer laboratory with internet connection to support the research projects.
- The institutes encourage participation of the students at University / State/ National / International level of competitions like AVISHKAR, SAEINDIA, SUPRA etc. by providing financial assistance and training / expert guidance to the students.
- Institute supports to faculties in paying registration fees to attend the training programs / workshop.
- Institute supports in paying registration fee to get the membership of professional bodies / societies like ISTE/IME etc.

**Collaboration with Training centers and Industries through MOU's:**

- Memorandum of Understanding (MOU) is made between institute and the training centres and industry (Industry institute interaction).
- Conduction of workshops, project internship, guest lectures, faculty development programs (FDP), sharing of infrastructure and other resources for mutual beneficial relationship can be made possible through MOU's.
