Prathamesh Shewale

Pune, India
I am Prathamesh Shewale, a passionate self taught photographer from Pune. I am also pursuing my bachelors degree in engineering. My area of interest are traveling and street photography. Photography is a beautiful experience not only do we have the opportunity to provide a memorable experience, but we also get to connect with people, traditions, culture.

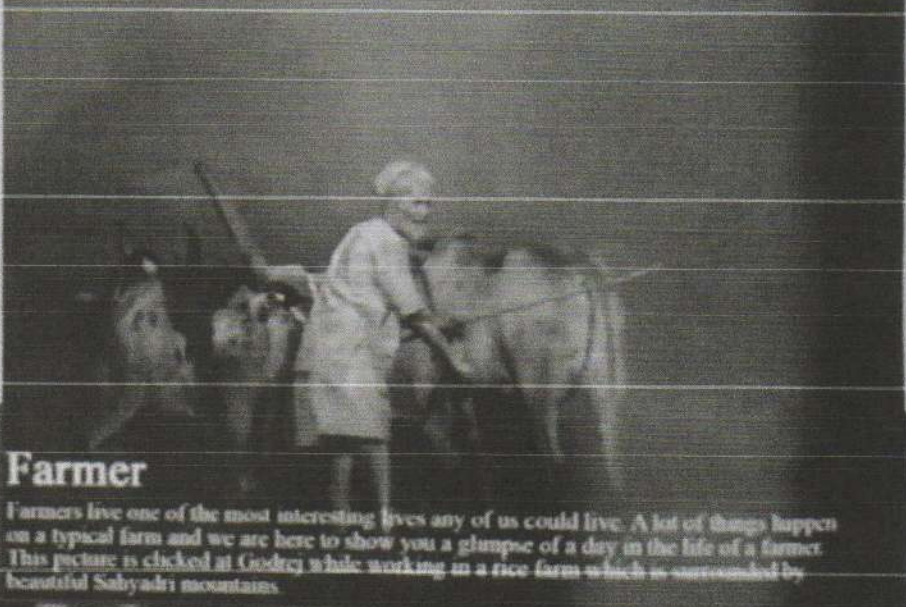

Farmer's Love

How about you share the relation between the farmer and their domestic animals, the relation is like son and father who care them by their kind love and have connection with each other like pair made by God. This picture is clicked at Gadgaon while working in rice farm which is surrounded by beautiful Sahyadri mountains.

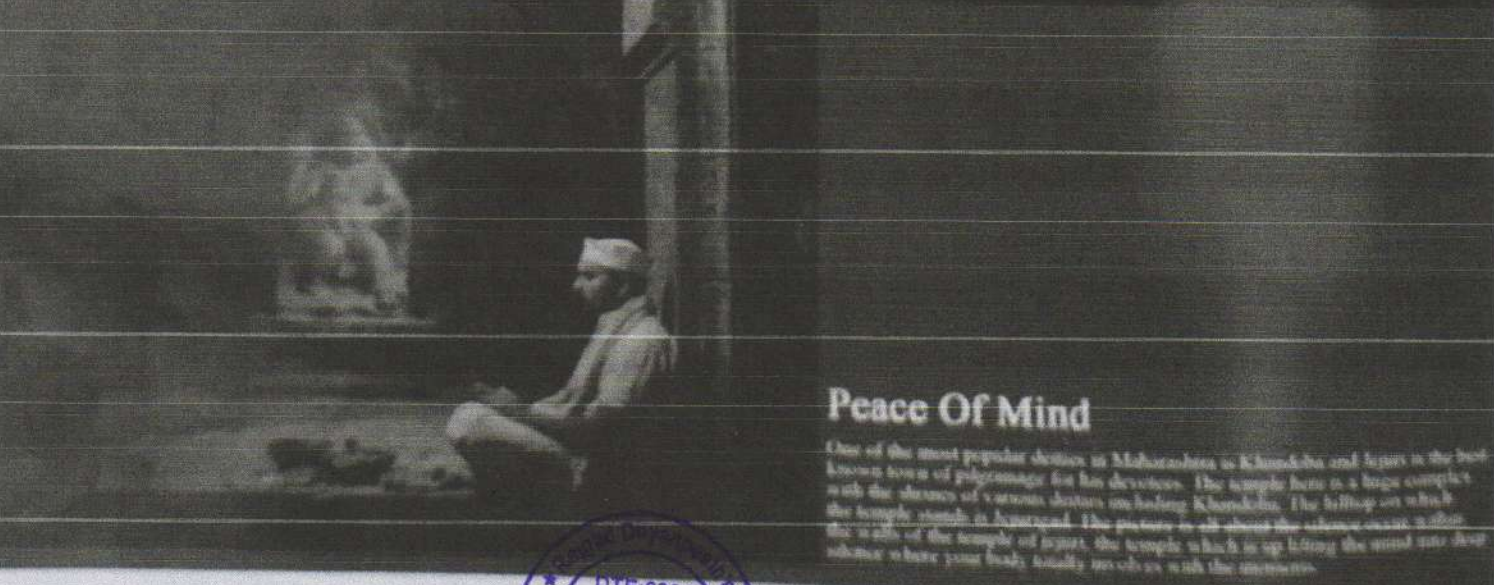

Cup Of Tea

Every time you bring it close to your lips and smell it and take a sip you'll remember that beautiful moment of your moment. A cup of tea in Sahyadri mountain ranges.

Farmer

Farmers live one of the most interesting lives any of us could live. A lot of things happen on a typical farm and we are here to show you a glimpse of a day in the life of a farmer. This picture is clicked at Gadgaon while working in a rice farm which is surrounded by beautiful Sahyadri mountains.

Peace Of Mind

One of the most popular deities in Maharashtra is Khundoba and he is the best known town of pilgrimage for his devotees. The temple here is a huge complex with the shrines of various deities including Khundoba. The hilltop on which the temple stands is hilly. The picture is all about the serene scene in the walls of the temple of Ishtar, the temple which is up lifting the mind rate just when where your body totally involves with the moment.
