Description of 'Institutional Strategic Plan'

Criterion 6 - Governance, Leadership and Management

Key Indicator - 6.2 Strategy Development and Deployment

6.2.1 The institutional strategic/ perspective plan is effectively deployed.

As per Institution strategic plan institute enterprise interacts with the industry by signing number of MoU's to give wide exposure to student through internship, industry sponsored projects, seminars, workshops etc which will help to student to enhance skill sets and become an industry ready personal to grab the opportunities such as internship, placement, **industrial visit** etc. In line with this institute strategy, institute established relation with **TE Connectivity India Private Limited, Shirwal** by signing MoU and conducted activities to explore industrial knowledge of student. As a part of this, to create awareness among the students regarding recent trends and practices in industrial automation field, the T&P Cell organized **5 days Workshop on 'PLC & SCADA Automation'** for the students of E&TC and Mechanical engineering department. In line with this, to enhance industry-institute collaboration, **internship** is provided to **20 students** successfully completed to get exposure of industry work as well as the job opportunity is also made for the students by **T&P cell, in-campus placement drive** activity is also conducted. As a result of this, **TE Connectivity India Private Limited offer placement for ten students from E&TC and Mechanical engineering department.**

'Institutional Strategic Plan'

Rajgad Dnyanpeeth's

SHRI CHHATRAPATI SHIVAJIRAJE COLLEGE OF ENGINEERING

Gat No. 237, Pune Bangalore Highway, Dhangawadi, Tal – Bhor, Dist- Pune (Maharashtra)

Institute Strategic/ Perspective Plan

Long Term Goals:

- Centre of Excellence in Engineering & Technology.
- Enhance faculty competencies for acquiring patents and copy rights.
- Enhance the Industry-Institution Interactions and collaborative R&D activities.
- Tie-ups with Industry in specialized area of Technology.
- NBA and NAAC accreditation of college.
- Recognition as a Research Centre
- 30% Faculty should be PhD holders by 2020.

Short Term Goals:

- Enhance Industry- Institute Interaction by signing MoUs.
- Continuous monitoring of teaching-learning activities.
- Special focus and extra coaching for academically weaker students.
- Intensify the number of modern learning platforms for the students to strengthen their technical skill set.
- Prepare students with the ability to use the techniques, skills, and modern engineering tools necessary for modern engineering practice - Value Addition Courses as evening classes.
- Enhance student's academic excellence to reach global standards.
- Undertake various industry sponsored projects.
- Organize co-curricular activities for personality development and Communication skills.
- Prepare students to communicate effectively among diverse audiences.
- Prepare students for ethical and professional leadership.
- Provide a campus environment for producing highly motivated and successful engineers.
- Increase faculty research publications in referred journals.
- To motivate and support the faculty for higher education.
- Industry and Research oriented mini and major project.

Memorandum of Understanding Between RD's-SCSCOE (Rajgad Dnyanpeeth Technical Campus) & TE Connectivity India Private Limited

This Memorandum of Understanding (hereinafter referred to as "MoU") is entered into on this day Saturday and date 28th December, 2020.

Between:

RD's-Shri Chhatrapati Shivajiraje College of Engineering-Bhor, Dist—Pune, Maharashtra, (hereinafter referred to as "The College") an institution of higher learning founded in 2009 Affiliated to Savitribai Phule Pune University's Approved by AICTE, New Delhi.

And

TE Connectivity India Private Limited, GAT No 1122, 1129,1140,1295,1296, Village Shirwal, Taluka-Khandala, Dist. Satara-412801, Maharashtra India – 410210.

(CIN: U31909KA1993PTC015007),

(Hereinafter referred to as "TE Connectivity")

The College and TE Connectivity shall be collectively referred to as "The Parties"

In furtherance of their mutual interest in improvement of Academics, Technical Enhancements and Improving Employability Skills of the students as a contribution to the Social and Economic development of the region, The Parties mentioned above hereby agree to and adopt the following Memorandum of Understanding.

Article 1: The Purpose of the Agreement

The Parties are committed to enhancement of academic skills of the students of the college, educational excellence, collaborative work, intellectual freedom and equality of educational and employment opportunities.

Some broad goals of this MoU are:

1. Take into consideration the aspects of the subject required by the industries for possible future inclusion in the curriculum.
2. Enhance the understanding of the students through field experience
3. Make students independent and responsible towards learning and social inclination.
4. Build a network of learning community & Industries

Rajgad Dnyanpeeth's

Dr. S. B. Patil
Principal

Article 2: General Activities and Services

The Parties will voluntarily undertake the following:

1. Create scope for curriculum development and enrichment.
2. Encourage joint research activities.
3. Extension Activities and dissemination of new knowledge.

Article 3: Role of the College

Following are the roles identified for The College:

1. Provide academic support to the Industry.
2. Provide assistance in the form of student interns as and when required.
3. Support and promote employees to pursue their higher education.
4. Initiate and support exchange of human resource on case to case basis.
5. To spread the awareness about the benefits of Skill Academy Camp.
6. To help Skill Academy Team in promoting various Live Sessions, Skills Boot camps, Aptitude Tests, etc among college students

Article 4: Role of TE Connectivity.

Following are the roles identified for TE Connectivity:

1. Provide opportunities for students and faculty members to upgrade their skills in allied industries. Chance to get internships & full-time job opportunities through various competition.
2. Grant access to the industry its facilities as and when required with prior approval.
3. Voluntarily Support research efforts in exploring new ideas.
4. Initiate and support exchange of human resource on case to case basis.
5. Complete Preparation for Job & Internship- - Activities for a period of 10 years which would include Live Aptitude Tests & Company Specific Mock Tests.

Article 5: Duration and Termination of MoU

This MoU shall remain in force for a period of ten years commencing from the date of signing of this document. The Parties reserve the right to terminate this MoU by either party giving one month written notice to the other. Where such termination occurs, the provisions of this Memorandum shall continue to apply to ongoing activities until their completion.

Article 6: Amendments

Amendments to this MoU must be in writing and approved by the designated representatives of each party. The terms / clauses / articles in this MoU can be reviewed by mutual consent by serving one month written notice to the other party. New or amended terms / clauses / articles may be agreed as part of a renewed MoU.

Party 1 will:

- Extend help and give constructive suggestions while designing the curricula.
- Assist faculty while developing skills with specific technology to the students.
- Allow to use available sophisticated and costly equipment to the faculty and students with terms & conditions.
- Provide financial support / equipment / material / guidance for innovative projects of students.
- Give live projects to the students and guide them in professional way.
- Enrich teaching program/technical competitions by giving awards.
- Permit Industrial Visit of students and faculty.
- Provide implant training program to students for 1 week/ 2 weeks/ 4weeks.

Party 2 will:

- Encourage, enhance, and create avenues and environment for greater involvement of faculty and staff with industry for R&D and consultancy.
- Arrange workshops and training programs for Industries to adopt latest technologies.
- Allow to use available sophisticated and costly equipment with terms & conditions.
- Arrange seminar / workshop/ hands on training / skill development program to students and faculty.
- Provide representation for or invite representatives from Industries on Board of Studies, Faculties, Academic Councils, and Governing Body etc.
- Provide testing and certification facilities.

During its tenancy, the MoU may be extended or terminated by a prior notice of not less than six months by either party. However, termination of the MoU will not in any manner affect the interests of the students / faculty / scientists who have been admitted to pursue a program under the MoU.

Invitation letter for Workshop

To,
The Manager,
TE Connectivity India(P) Limited.
Shirwal.

Respected Sir,

This is in reference to share & discuss with you information regarding to conduct 5 days' Workshop on "PLC & SCADA Automation" for our BE & TE Students from ME & E&TC Engineering. It will be our ardent privilege if you visit RD's- Shri Chhatrapati Shivajiraje college of Engineering, Bhore, Pune [Maharashtra].

We are pleased to introduce ourselves as a growing Institution in the field of Technical Education. RD's-SCSCOE Campus Established in the year 2009 at Dhangawadi, Bhore, Pune Area is an AICTE Approved, Affiliated to Savitribai Phule Pune University run under the guidance of Hon'ble Anantrao Thopte (Ex-Education Minister) in strong support of Hon'ble Sangramdada Thopte (MLA: Bhore-Velha-Mulshi) which have a track record of outstanding performances of its passed outs in academic as well as in professional domains.

In the era of advanced technology, it is indeed a challenging task to cater the industrial needs in terms of proficient and efficient manpower. We at RDTC are working towards honing this talent and making them industry ready at large. We earnestly hope that our student will be able to meet the challenges assigned to them at your esteemed organisation as our ex- students have always made our institute proud.

We will be extremely obliged if you could be a part of our endeavour of making the untapped talent shine. We would like to invite you to conduct 5 day's Workshop on "PLC & SCADA Automation" of final / Pre-final year students as well as provide our student one-day industrial visit at your place to understand the multi diversionary aspects/process of your company. We would be glad to provide you with any further information and assistance in this regard.

We will be providing you the infrastructural facilities for conducting practical's, seminar hall, food facility, Local travelling and Lodging /Boarding allowances if it's essential.

With warm regards,

Prof. S. D. Pasalkar

PERMISSION LETTER

To,
The Principal,
RajgadDnyanpeeth's
Shri Chhatrapati Shivajiraje College of Engineering,
Dhangawadi, Pune.

Subject: Permission for conducting 5 days' Workshop on "PLC & SCADA Automation" of BE & TE Students from ME & E&TC students.

Respected Sir,

With reference to above subject, Training and Placement department (T&P Cell) is going to organize a 5 days' Workshop on "PLC & SCADA Automation" of BE & TE Students from ME & E&TC students. The tentative schedule may be in the first/second week of month MARCH in our campus by TE Connectivity India(P) Limited under MOU activity.

This workshop will an attempt to cover material relevant to giving students necessary knowledge and skill set to appreciate the rapid changing scenario in automation systems and take advantage of this in their future career, this is the main objective of this program.

So I request you to give the permission to conduct a program of a 5 days' Workshop on "PLC & SCADA Automation" by TE Connectivity India(P) Limited under MOU activity.

Please do the needful.

Thanking you.

Yours' Sincerely

T.P.O.

Remark:

Allowed for 5 days workshop
Copy to - All T&P coordinators

Date: 15/02/2022

Notice

All the students of BE & TE (Mechanical and Electronics & Tele-communication Engineering) are hereby informed to attend 5 Day's Workshop on "PLC & SCADA Automation" in our institute from 8th to 12th March, 2022.

Golden Opportunity to for Final Year Students

T&P Cell of Institute is organizing 5 Day's Workshop on "PLC & SCADA Automation" From 8th to 12th March 2022 in association with TE Connectivity India(P) Limited under the MOU Activities.

- Only Limited Seats.
- No any Fees.

Interested Students are informed to enroll their names to respective departments T&P coordinators on or before 05/03/2022. Attendance, Uniform & I- Card is compulsory for all the students.

Departmental T&P coordinator:

Department of Mechanical Engg.: Prof. S. S. Bhosale.

Department of E&TC Engg.: Prof. S. D. Pasalkar

5 days Workshop on "PLC & SCADA Automation"

Both Students & Faculties of Mechanical & E&TC Engineering
Skills Gained :

- After completing this workshop, students are able to:
- Create and design new automation model by using PLC programming logic.
- Interface external peripheral by using SCADA software

Date: 8th to 12th March 2022, Time: 10:00 am to 4:00 pm

Certificate will be available after successful completion of course

Organized by: Training & Placement cell

Speaker:

Mr. Manoj Potdar
Automation Engineer
Connectivity India(P)
Limited

Faculty Coordinators :
Prof. S.S. Bhosale

**TRAINING & PLACEMENT CELL****Workshop Report on “PLC & SCADA Automation”**

Date: 15/03/2022

1. **Program type:** 5 days Workshop
2. **Event Name:** PLC & SCADA Automation
3. **Attendees:** Students BE & TE (Mechanical and Electronics & Tele-communication Engineering)
4. **Name and Designation of Resource Person :** Mr. Manoj Potdar, Automation Engineer
5. **Company / Institute of Resource Person:** TE Connectivity India(P) Limited, Shirwal
6. **Event coordinator:** Prof. S. S. Bhosale, Prof. S.D.Pasalkar
7. **Date of Execution:** 8th to 12th March 2022
8. **Duration of Event:** 6 Hours/Day
9. **Venue of event:** Rajgad Dnyanpeeth Technical Campus.
10. **Number of Participants:** 75
11. **Fee details:** Free.
12. **Objectives:** The main objective of the program is to understand the students about PLC, Ladder diagram, Automation, SCADA System. Also resource person guided job opportunities in industries after doing this workshop.
13. **Outcomes:** Student are aware that in industry PLC knowledge is the basic for an automation industry.
14. **Description (program conduction details) / speaker topic explanation:**

The T&P cell of Rajgad Dnyanpeeth's Shri Chhatrapati College of Engineering Dhangawadi, Pune has conducted a 5 Day's Workshop on “PLC & SCADA Automation” in our institute from 8th to 12th March, 2022., in association with TE Connectivity India(P) Limited, Shirwal under the MOU Activities.

The Five Days intensive workshop on Industrial automation product (PLC System & SCADA software) has been conducted by TE Connectivity India(P) Limited under the MOU Activities.to involve students in a cohesive drive with the academia and industry towards excellence in automation product technology. This workshop was an attempt to cover material relevant to giving students necessary knowledge and skill set to appreciate the rapid changing scenario in automation systems and take advantage of this in their future career. Practical/laboratory sessions

Skills Gained

- After completing this workshop, students are able to:
- Create and design new automation model by using PLC programming logic.
- Interface external peripheral by using SCADA software.

Topics covered in this Workshop:

Day 1: Session I&II: Presentation on Recent Trends in Industrial Automation & PLC-SCADA

- Introduction To Automation
- Why We Need Automation
- Where Automation?
- Evolution In Industrial Automation (A Brief History)
- Different Type Of Industrial Control Mechanisms)
- Introduction To PLCs
- PLC Advantages Over Microcontrollers
- Area Of Applications
- DATA Flow During Automation
- Motor Drives Introduction & Their Need

- Sensors Introduction & Their Need
- HMI Introduction & Its Need
- SCADA Introduction & Its Need

Day 2: Session I, Session II: Detail study of PLC & SCADA

- PLC
- SCADA

Day 3: Session I, Session II: PLC I/Os Basics, Burning & Interfacing Concepts

- Allen Bradley & Rockwell Automation's Details
- Brief Description To Input/ Output Pins Of Micrologix-1000
- Ladder Diagram Basics
- Introduction To RSLogix
- Downloading A Ladder Program In PLC Using RSLinx.
- How To Take Input From Panel
- How To Give Output To Panel
- Running First PLC Application.

Day 4 & Day 5: Hands on PLC Training Kit

- Participants will perform hands on PLC training Kit.

15. Conclusion: Resource person guided that how PLC work, how to write simple logic level program to various interfacing with I/o modules. SCADA system also very important in industry supervisory control.

Invitation letter for Campus Placement Drive

To,
HR Manager,
TE Connectivity India(P) Limited.
Shirwal.

Respected Sir,

This is in reference to share & discuss with you information regarding campus recruitment activity for our outgoing students. It will be our ardent privilege if you visit RD's- Shri Chhatrapati Shivajiraje college of Engineering, Bhor, Pune [Maharashtra].

We are pleased to introduce ourselves as a growing Institution in the field of Technical Education. RD's-SCSCOE Campus Established in the year 2009 at Dhangawadi, Bhor, Pune Area is an AICTE Approved, Affiliated to Savitribai Phule Pune University run under the guidance of Hon'ble Anantrao Thopte (Ex-Education Minister) in strong support of Hon'ble Sangramdada Thopte (MLA: Bhor-Velha-Mulshi) which have a track record of outstanding performances of its passed outs in academic as well as in professional domains.

In the era of advanced technology, it is indeed a challenging task to cater the industrial needs in terms of proficient and efficient manpower. We at RD are working towards honing this talent and making them industry ready at large. We earnestly hope that our student will be able to meet the challenges assigned to them at your esteemed organisation as our ex- students have always made our institute proud.

We will be extremely obliged if you could be a part of our endeavour of making the untapped talent shine. We would like to invite you for a Campus Placement Drive of final / Pre-final year students as well as provide our student one day industrial visit at your place to understand the multi diversionary aspects/process of your company. We would be glad to provide you with any further information and assistance in this regard.

We will be providing you the infrastructural facilities for conducting Tests, Interview, Presentations, Group Discussion, Local travelling and Lodging /Boarding allowances if it's essential.

With warm regards,

Prof. S. D. Pasalkar

To: "Shelake, Asha Dnyanu" <asha.shelake@te.com>
Cc: "Hon, Sanjay" <sanjay.hon@te.com>

Respected Sir/Madam,

Greetings!!!! In pretext with the communication held between Ms. Asha - Associat HR, TE Connectivity India Pvt Ltd, Shirwal and T&P Cell Coordinator from RD's SCSCOE, We take this opportunity to invite your company to provide Placement drive.

We are pleased to introduce ourselves as a growing institution in the field of technical education. **Rajgad Dnyanpeeth Technical Campus (RDTC) -Shri Chhatrapati Shivajiraje College of Engineering (SCSCOE)** Established in the year 2009 , is approved by AICTE and Affiliated to Savitribai Phule Pune University [University of Pune].

We offer Undergraduate courses in the stream of **Mechanical Engineering, Electronics & Telecommunication Engineering, Computer Engineering & Civil Engineering** having a track record of outstanding performances in academics as well as in professional domains like International as well as National level competition e.g. **SUPRA,HACKATHON,Smart City, Hybrid Car Design** etc.

Our institute is honored with the Award of "**Best Engineering College in Rural area of Maharashtra**" by CMI Association and Mumbai University by the hands of **AICTE Chairman Dr. Anil Sahasrabudhe** in presence of five Vice Chancellors of other Universities in 2016 and honored with the award of "**Outstanding Engineering Institute in Rural area of Maharashtra**" by ABP News Channel. Also in 2019 Our institute is honored with the Award of "**Best Emerging Technical Institute Award 2019**" by **Ballsbridge University, Roseau (Dominica)**.

We will be extremely obliged if you could be a part of our endeavor of making the untapped talent shine. We would like to invite you to the Campus Placement for final / Pre-final year students to understand the multi-dimensional aspects, processes, and verticals of your company.

We look forward to your acceptance and confirmation of the Placement Drive. Also, we would be glad to provide you with any further information and assistance in this regard. We will look forward to visiting Shirwal Plant as well as your visit also appreciable in our premises. We will look forward to the future also.

Best Regards,**Prof.S.D.Pasalkar****T&P Officer****RD's SCSCOE, Dhangawadi****Mobile:8605592551**

Hello Sir,

As per our discussion regarding GAT Campus Drive, please check below information about TE and GAT program.

TE Connectivity India Pvt. Ltd. is a quality driven organization offering a wide range of 4 wheeler wire harness, cable assemblies, amp seal connectors, heavy duty connectors.

TE Connectivity is a technology company that designs and manufactures connectivity and sensor products for harsh environments in a variety of industries, such as automotive, industrial equipment, data communication systems, aerospace, defense, medical, oil and gas, consumer electronics and energy.

We believe in the power of a diverse, inclusive organization. Across TE, we demonstrate our commitment to this belief every day. Our leadership team reflects and champions this belief.

Our teams work closely together – across functions and regions – to meet the needs of customers, shareholders, partners, and employees

We recruit Graduate Apprentices Trainee (GAT) under NAT program of Government, for one year in different department of our company.

Stipend amount will be Rs. 20000/- per month (It will continues for one year)

We will retain few of GAT's if there is any opportunity and person is found good in performance and behavior.

Required guidance and training will be provide by reporting manager and HR department for whole year to selected students, which will enhance their skills and abilities.

Campus Drives are started for the same, so request you to send interested and eligible candidate data for further process (50% male and 50% female candidates would be preferable)

Please fill free to contact if you require more information from my side.

Thanks & Regards,

Asha Shelake

Hello Sir,

Thank you very much for your campus drive invitation.

As per our current requirement status we require female candidate for GAT role in various departments.

For that, please share your 20 **Male/female** candidates data from Mechanical & E&TC students for further process.

Thanks & Regards, **Asha Shelake**

Hello Sir,

Greetings from TE Connectivity India Pvt. Ltd. !!!

Please send students list for GAT recruitment in our company.

In line with our recent discussion, we wish to inform you that, interview schedule for your college students will be on Friday, 6th May 2022. From **10.00 AM** onwards,

Kindly inform students to be present up to 10.00 PM in your college. Please inform them to carry required documents and **resume** for interview.

Request you to please arrange students transportation from your end.

Hope all students will go through the company profile before they appear for the interview.

If you have any queries and any help require from our end you can reach out to me.

We look forward to hire great talents and a long term association with you.

Thanks & Regards,

Asha Shelake

Ms. MANE PUJA ASHOK (E&TC)

Rajgad Dnyanpeeth's SCSCOE Dhangawadi.

Tal —Bhor,

Dist. - Pune

Dear **PUJA**, we refer to your application, written test and the subsequent interview you had with us.

We are pleased to appoint you as "Trainee Engineer" in our organization for a period of 12 months with effect from 10th June, 2022, subject to the following terms and conditions.

It's you will be registered under Graduate Apprentices Scheme of BOAT as per the Apprentices Act, 1973.

1. You will be paid a consolidated stipend of 2.6 Lakhs per Annum. You will not be entitled to any other benefits like PF, ESI, LTA, Bonus etc. In the event of the company having to make the deductions towards any statutory requirements, such deduction will be made from your stipend and this shall not in any way confer upon you any right whatsoever as an employee of the company.
2. In case you have any queries, you may discuss the matter with the Company's Human Resources Department.
3. You will be governed by and will abide by the Rules and Regulations of the Company in force from time to time. You are required to attend training in any shift, as per the Company's requirement. You shall perform all tasks and duties as assigned to you by your superiors. You shall also undertake to do all duties and tasks including the work ancillary and incidental to your duties.
4. We request you to go through The TE Guide to Ethical Conduct" and 'Intellectual Property Agreement (Annexure — 11)' and confirm us in writing that you have read and understood it. You will be required to abide by the principles set out in the document. Breach of which, can have serious consequences including termination of your training.

5. During your training, if you at any time render yourself incompetent to perform your duties or if you misconduct yourself or be disobedient, intemperate, irregular in attendance, commit any breach of the terms of your appointment or of any of the stipulations herein contained or of Code of Conduct of the Company or any Company Policy, the Company shall without prejudice to any of its rights under the terms herein contained or as may be available to it, be entitled to terminate your training forthwith without any notice and to deduct from your stipend, the amount of any damage the Company may have sustained.
6. This Offer is made on the basis of the particulars submitted by you. If at any time it emerges that such particulars were false or incorrect or that any material or relevant information had been suppressed or concealed or exaggerated, this offer and any appointment pursuant hereto will be considered ineffective and irregular and will be liable to be terminated by the Company without notice.
7. You shall comply with the safety rules or norms as is and may be communicated in any form by the company from time to time. You should follow all the Environment, Health and Safety guidelines and rules as laid down by the company from time to time. Violation of safety rules will result in appropriate disciplinary act.
8. Your training will automatically come to an end after 12 months' period. Nothing contained in this a letter shall prevent the company from terminating your training even before its expiry without assigning any reason.
9. During your training, either of us may, without cause, terminate the training by giving to the other one month written notice or an amount equal to the stipend payable for one month, in lieu of such notice.
10. If you are willing to accept this offer of Graduate Apprentice Trainee, subject to the terms and conditions specified above, you may kindly sign and return the duplicate copy of this letter in token of your acceptance of the said terms and conditions.

Thanking You

Yours faithfully, For TE Connectivity

Ms. JADHAV POOJA ASHOK (E&TC)

Rajgad Dnyanpeeth's SCSCOE Dhangawadi.

Tal —Bhor,

Dist. - Pune

Dear **POOJA**, we refer to your application, written test and the subsequent interview you had with us.

We are pleased to appoint you as "Trainee Engineer" in our organization for a period of 12 months with effect from 10th June, 2022, subject to the following terms and conditions.

It's you will be registered under Graduate Apprentices Scheme of BOAT as per the Apprentices Act, 1973.

1. You will be paid a consolidated stipend of 2.6 Lakhs per Annum. You will not be entitled to any other benefits like PF, ESI, LTA, Bonus etc. In the event of the company having to make the deductions towards any statutory requirements, such deduction will be made from your stipend and this shall not in any way confer upon you any right whatsoever as an employee of the company.
2. In case you have any queries, you may discuss the matter with the Company's Human Resources Department.
3. You will be governed by and will abide by the Rules and Regulations of the Company in force from time to time. You are required to attend training in any shift, as per the Company's requirement. You shall perform all tasks and duties as assigned to you by your superiors. You shall also undertake to do all duties and tasks including the work ancillary and incidental to your duties.
4. We request you to go through The TE Guide to Ethical Conduct" and 'Intellectual Property Agreement (Annexure — I1)'and confirm us in writing that you have read and understood it. You will be required to abide by the principles set out in the document. Breach of which, can have serious consequences including termination of your training.

5. During your training, if you at any time render yourself incompetent to perform your duties or if you misconduct yourself or be disobedient, intemperate, irregular in attendance, commit any breach of the terms of your appointment or of any of the stipulations herein contained or of Code of Conduct of the Company or any Company Policy, the Company shall without prejudice to any of its rights under the terms herein contained or as may be available to it, be entitled to terminate your training forthwith without any notice and to deduct from your stipend, the amount of any damage the Company may have sustained.
6. This Offer is made on the basis of the particulars submitted by you. If at any time it emerges that such particulars were false or incorrect or that any material or relevant information had been suppressed or concealed or exaggerated, this offer and any appointment pursuant hereto will be considered ineffective and irregular and will be liable to be terminated by the Company without notice.
7. You shall comply with the safety rules or norms as is and may be communicated in any form by the company from time to time. You should follow all the Environment, Health and Safety guidelines and rules as laid down by the company from time to time. Violation of safety rules will result in appropriate disciplinary act.
8. Your training will automatically come to an end after 12 months' period. Nothing contained in this a letter shall prevent the company from terminating your training even before its expiry without assigning any reason.
9. During your training, either of us may, without cause, terminate the training by giving to the other one month written notice or an amount equal to the stipend payable for one month, in lieu of such notice.
10. If you are willing to accept this offer of Graduate Apprentice Trainee, subject to the terms and conditions specified above, you may kindly sign and return the duplicate copy of this letter in token of your acceptance of the said terms and conditions.

Thanking You

Yours faithfully, For TE, Connectivity

Request Letter from Institute to Internship Provider

To,
HR Manager,
TE Connectivity,
Shirwal Plant.

Date: 12/11/2021

Subject: Recommendation letter for Winter/ Summer internship for TE/BE student from SCSCOE, Pune. A.Y.: - 2021-22

Dear Sir/Madam,

Rajgad Dnyanpeeth's(RD's) –Shri Chhatrapati Shivajiraje College of Engineering (SCSCOE) Established in the year 2009, is approved by AICTE and Affiliated to Savitribai Phule Pune University [University of Pune]. We offer Undergraduate courses in the stream of Mechanical Engineering, Electronics & Telecommunication Engineering, Computer Engineering & Civil Engineering having a track record of outstanding performances in academics as well as in professional domains.

As a part of our curriculum, students are required to complete one/half month's (4 to 6 weeks) industrial internship in a reputed organization so that they get exposed industry work culture and some hands on experience concern to their branch. The SE/TE/BE students from Department of **Electronics & Telecommunication Engineering** branch are willing to do one/half month's summer/winter internship in your esteemed organization. We would be very happy if you can accommodate these students for internship purpose and provide some training with industrial exposure. The list of students is attached with this request letter.

If selected for internship we request you to issue a certificate to every student mentioning the training received and the area of contribution with details, during the internship. We request you to comment on the overall behavior and attitude of the intern in certificate and also give your valuable feedback by filling a form provided by student. After the internship each student is supposed to submit the detailed report about training and skills acquired during internship to concern department of SCSCOE, Pune. We also request you to kindly give feedback about above mentioned students by filling an Internship Feedback by Industry which will provide to you by the student. In case of any correspondence please email on tpo@rajgad.edu.in. Contact on Departmental T&P officer Number or class teacher.

Subject: Permission letter for industrial visit.

Respected Sir/Madam,

On behalf of Shri Chhatrapati Shivajiraje college of Engineering, Bhore, Pune, I want to arrange an industrial visit in your industry, I am writing this letter to you for getting permission for the same.

Objectives of industrial visit is to provide students an insight regarding internal working of companies. We know, theoretical knowledge is not enough for making a good professional career. With an aim to go beyond academics, industrial visits provide students a practical perspective on the world of work.

We decide to give some practical education to the students about the industrial procedures and its facilities. For that your industry is the best option a carry on such projects. In that case we need your support. The 45 students of BE E&TC will be the part of trip accompanied by 2 teachers. The probable dates of visit will be 15th to 17th of May 2022. Please approved any one from above mentioned dates.

Hope you understand the need of trip for education purpose. So kindly grant us the permission for the same.

Thanking you,

Yours' Faithfully

Industry Profile:

TE Connectivity India Pvt. Ltd. is a quality driven organization offering a wide range of 4 wheeler wire harness, cable assemblies, amp seal connectors, heavy duty connectors.

TE Connectivity is a technology company that designs and manufactures connectivity and sensor products for harsh environments in a variety of industries, such as automotive, industrial equipment, data communication systems, aerospace, defense, medical, oil and gas, consumer electronics and energy.

We believe in the power of a diverse, inclusive organization. Across TE, we demonstrate our commitment to this belief every day. Our leadership team reflects and champions this belief.

Our teams work closely together – across functions and regions – to meet the needs of customers, shareholders, partners, and employee

Objective of the Event

On 17th May, 2022, an industrial visit for “TE Connectivity India Pvt Ltd” was organized as a part of student’s curriculum for “Electronics Product Design” E&TC engineering department. Total 50 students participated in this industrial visit.

This TE Connectivity India Pvt. Ltd. industrial visit for students was guided and accompanied by Prof. S.D.Pasalkar and Prof. L.M.Sagle. The main focus of this industrial visit is to fill the bridge between technical concepts taught in curriculum and industry applied concepts. Various technical concepts were discussed with the students which are applied in the field of industrial equipment, data communication systems.

Outcome of the Event:

All students reached TE Connectivity India Pvt. Ltd. by 11:00 AM on 17/5/2022 along with faculty coordinators. The students were guided to the basic knowledge wire harness, cable assemblies, sensor products, automotive, industrial equipment, data communication systems, aerospace, defense, medical, oil and gas, consumer electronics and energy. All students were divided into small batches of 15. Training supervisor Mr. Anup from TE Connectivity India Pvt. Ltd accompanied students group and showed them control room, line production of drives and company Videos. Depending on the data and details given from TE Connectivity India Pvt. Ltd supervisors, students were instructed to prepare brief report of industrial visit.
