Report on Best Practice I: Reach to Unreached

TITLE/TOPIC: - REACH TO UNREACHED

PERIOD: - 2021-22

STAFF: - 20

COORDIANATOR:-Prof. DR. S. B. Patil

OBJECTIVES: -

- To create the awareness regarding higher Education among students in remote areas.
- To Emphasis the importance of higher education to students & parents in village area.
- To provide the information and guidelines regarding higher education among students in village areas.
- To motivate students from remote areas to go for higher Goals through education.

DESCRIPTION: -

India is a country with a 138 crore (1.38 billion) population which is further divided into two sections: urban and rural. The rural population of India represents 65% of the total population, around 88 crore (880 million). As of 2021, the literacy rate in rural India was around 73.5%. This includes 81% male and 65% female literacy in rural section of India. As the rural economy currently contributes to 25-30% of the country's GDP, literacy in these parts is important for the Indian economy.

The government of India has launched many initiatives such as Samagra Shiksha, Jahawar Navodaya Vidyalaya, mid-day meal schemes, digital initiatives etc. The goal of these initiatives is to increase the enrolment rate and also to encourage the already enrolled students to attend regularly.

Rajgad Dnyanpeeth's Shri Chhatrapati Shivajiraje College of Engineering is also located in rural area. The Founder had vision for enhancing higher education in rural area. Rural area peoples are generally economically weaker and always hesitated to go for higher education because of expenses. Since our institute is located in rural area which provides them very ease.

Rajgad Dnyanpeeth's Shri Chhatrapati Shivajiraje College of Engineering had taken initiative and made its best practice to Motivate, Inform & Guide students in rural area for higher education. The gross enrollment ratio to higher education of rural area student is very poor and situation is not so good for female population. Institute is following the practice for last eight years. Institute has been conducting programs in Schools, Junior colleges and near villages to increase the student's enrollment towards the higher education.

Under the guidance Principal Prof. Dr. S. B. Patil, We planned and organized our staff to guide to the students regarding higher education. We Provides various options for higher education available to 10+2 students like Bcom, BA, BSc, BE, B.Pharm, MBBS, BHMCT, Etc. We solve their all Queries and doubts regarding above. We discuss their interests and carrier opportunities available for them.

This year Institute had various programs regarding Awareness of Higher Education at following region.

- Khandala
- Bhor
- Wai
- Purandar
- Velhe

SR. NO	REGION	NUMBER OF STUDENTS ENROLLED TO HIGHER EDUCATION (BE)
01	BHOR	15
02	VELHE	10
03	WAI	8
04	KHANDALA	15
05	KHATAV	7
05	PURANDAR	5

OUTCOMES:

- The Practice conducted at villages, rural Schools and rural colleges were very fruitful. We were very much successful in creating awareness regarding higher education among rural students and their parents.
- Many students were found motivated and curious to choose path of higher education to achieve better carrier.
- The awareness about higher education has increased in the students as well as in Parents.
- Total 60 numbers of students are enrolled for Engineering in our institute through this practice.

आदरणीय सरपंच साहेब,

आमचे इन्स्टिट्यूट राजगड ज्ञानपीठ टेकनिकल कॅम्पस, श्री छत्रपती शिवाजीराजे कॉलेज ऑफ इंजिनियरिंग, धांगवडी, ता. भोर जिल्हा. पुणे तर्फे " Reach to Unreached " या प्रॅक्टिस अंतर्गत ग्रामीण भागातील मुलांना उच्च शिक्षणासाठी माहिती व मार्गदर्शन विनाशुल्क देण्यात येते. या मागचा संदर्भ असा कि ग्रामीण भागातील मुले माहिती अभावी किंवा परिस्थिती अभावी काही अशा कारणामुळे उच्च शिक्षणाकडे खूप कमी जातात हे वेळोवेळी दिसून आले आहे.

इन्स्टिट्यूट मधील आमची कर्मचारी टीम ग्रामीण भागात जाऊन विद्यार्थी व पालक यांना उच्च शिक्षण साठी असलेल्या विविध शाखा, प्रवेश प्रक्रिया, फीस आणि संधी ची परिपूर्ण माहिती देतात व उच्च शिक्षणासाठी प्रेरित करण्याचे काम करतात.

आम्ही कळवू इच्छितो कि आम्ही आपल्या गावातील बारावी परीक्षा उत्तीर्ण झालेल्या विद्यार्थ्यांना मार्गदर्शन करू इच्छितो. आमचे सर्व कर्मचारी COVID संबधीत असणारी सर्व आवश्यक काळजी घेण्याचे आश्वासन देत आहोत तरीही आम्हाला कृपया ग्रामपंचायत कडून परवानगी द्यावी हि विनंती. धन्यवाद.

Report on Best Practice II: Project Competition

1. Title of the Practice: Project Competition

2. Objectives of the Practice:

- a) To enhance technical skill and professional skill among students.
- b) To stimulate students and researcher to work on exciting projects.
- c) To understand best practices and demonstration of diverse project, new innovations, etc.
- d) To provide networking opportunity with industries that can help create breakthroughs.
- e) To relate the functioning of industry while working on project and understand how does industry function.

3. Context:

Providing platform for students to show their technical skill and creativity.

4. The Practice:

The proposed Technical Project Competition is announced to students from Electronics and Telecommunication, Computer Engineering, Mechanical Engineering, Civil Engineering. They are allowed to express their technical knowledge and creativity through their project presentation by exhibiting their ideas, innovations, developments while working on a specific project to solve real world problems and industry specific problems.

5. Process:

- a) Project coordinator of the department announces project competition date and rules through notice and register student or group for competition.
- b) Any single student or groups of student of the department can participate in the competition.
- c) All the participants interested in competition submit their names with project coordinator of the department.
- d) Industrial or Academic persons are appointed as judges by the head of the institute. Judge can be any senior faculty from other college or an industry person. Appointment orders are issued to respective persons by institute.
- e) Projects are displayed by the participants on the exhibition date.
- f) Participants present their project in front of judges.
- g) Best projects are awarded as winner rank 1, rank 2.

6. Evidence of Success:

Total 45 Projects were presented by student groups of our institute in project competition held in A.Y. 2021-22. The participants groups were from all branches Mechanical, civil, Electronics and Computer Engineering.

7 Problems Encountered:

Mismatch of schedule of resource persons.

8 Notes:

Institute has always been motivating students to participate in national competitions to enhance their technical and professional skill. Institute has been providing financial assistance to student groups who have best ideas and innovation in their project.

REPORT OF EVENT PROJECT COMPETITION-2022

Department: Mechanical Engineering

Day & Date: Friday, 19.03.2022

Judge: Prof. S.A. Kale, Trinity College of Engineering, Kondhwa, Pune

Event Coordinator: Prof.S.D.Thorbole, Faculty, RDTC, SCSCOE, Dept. of Mech Engg.

Objective:

The Main objectives of the project competition were to enhance technical knowledge and competitiveness among students.

Description:

The “Project Competition-2022” was arranged in the presence of Principal of RDTC, HOD of department and all Faculties of respective departments and students. Total 15 project groups were participated for this Project Competition. There were three members in the jury committee including Judge, Prof. Dr. S.A.Kale, Prof.S.K.Pawar HOD, and Event & Project Coordinator Prof.S.D.Thorbole. The final evaluation process completed by jury members and finalized the 2 (Two) groups as 1st rank and 2nd rank.

Result of Project Competition Event A.Y. 2021-22

Gr. No.	Name of Students	Project Title	Class	Rank
1	Suraj Ankush Mali Abhijit P. Pawar Ganesh Utam Kolpe Ajay Manohar Awade	PCM Heat Exchanger	B. E. Mech	Winner
2	Swetal P. Jagtap Yogesh M. Bhosale Sudarshan M. Dalvi Pranali Gaikwad	Three way Pneumatic Modern Trailer	B. E. Mech	Runner up

Finally, award ceremony program was conducted on 19th March 2022 from 3.00 pm to 5:00 pm and announced the name of winner teams of innovative projects with rank certificates were distributed to the students with blessings of the chief guest and principal of Institute.

The selected innovative project ideas will be completed by students under the guidance of respective departmental faculty member/members with under observation of respective departmental head. The student was presented projects with running condition and different modules according to their application of projects.

Conclusion:

This competition has provided a platform to the budding engineers to showcase their creative and innovative project ideas to compete in the global competitive engineering field.

REPORT OF EVENT PROJECT COMPETITION-2022**Department:** Electronics and Telecommunication Engineering**Day & Date:** Tuesday, 22.03.2022**Chief Guest:** Mr. Sandesh Ghate, MTech Mechatronics and Robotics Automation, Karve Nagar, Pune**Event Coordinator:** Prof.L.M.Sagale.**Objective:**

The Main objectives of the project competition were to enhance technical knowledge and competitiveness among students.

Description:

The "Project Competition-2022" was arranged online mode in the presence of Principal of RDTC, HOD of department and all Faculties of respective departments and students. Total 10 project groups were participated for this Project Competition. There were three members in the jury committee including Judge, Karve Nagar, Pune Prof.T.M.Dudhane HOD, and Event & Project Coordinator Prof.L.M.Sagale. The final evaluation process completed by jury members and finalized the 2 (Two) groups as 1st rank and 2nd rank.

Result of Project Competition Event A.Y. 2020-21

Gr. No.	Name of Students	Project Title	Class	Rank
1	Prajakta Uttam Kumbhar Sejal Anil Mane Manthan Kumar Pawar	Image Steganography Technique Based On LSB Insertion And Encryption Using Python and OpenCV.	B. E. E&TC	Winner
2	Gaikwad Pooja Kanade Payal Kazi Mansur	IOT based EV's battery swapping and charging system using solar	B. E. E&TC	Runner up

Finally, award ceremony program was conducted on 24th March 2021 from 3.00 pm to 5:00 pm and announced the name of winner teams of innovative projects with rank certificates were distributed to the students with blessings of the chief guest and principal of Institute.

The selected innovative project ideas will be completed by students under the guidance of respective departmental faculty member/members with under observation of respective departmental head. The student was presented projects with running condition and different modules according to their application of projects.

Conclusion:

This competition has provided a platform to the budding engineers to showcase their creative and innovative project ideas to compete in the global competitive engineering field.

THANKING LETTER

To,
Mr. Sandesh Ghate
MTech Mechatronics and Robotics Automation
Karve Nagar, Pune

Dear Sir,

We would like to take this opportunity to thank you on behalf of RD's SCSCOE, for being present as an eminent jury for "**Project Competition**" on 22nd March, 2022. We appreciate the support and importance you have shown to students by providing relevance and interest in their work. We look forward to your participation in future events. We hope to see you again soon.

Thanking you.
