Interactive Counseling Session

A brief talk on Anti-ragging was given by **Prof. J. G. Kale** Assistant Professor & Head, Dept. of First Year Engineering. **Dr S. B. Patil** (Principal) briefed about the various activities and measures taken in the institute on regular basis to curb ragging and assured that Students are safe and this college is a ZERO tolerance Zone for ragging and no such activities are reported till date. The audience were staff, students of I, II, III and IV year Engineering of all branches.

A counseling session was conducted by, Dr. A. B. Kudale .Two sessions were conducted on 14/11/2022, where the students of first year were encouraged to anonymously submit any problems they've faced or would like to talk about. They were discussed and solutions were offered on a one on one basis. She elaborated various Acts and criminal/penal code of ragging and various sections in which criminal proceeding can be carried out and gave an explanation on national help line no 1800-180-5522. The talk also emphasized on how to create a friendly atmosphere with the seniors and juniors. She also advised the required measure to be taken by each and every institution to curb ragging.

Rules & Regulations for Prevention and prohibition of Ragging in Educational Institutes explained by Dr. A. B. Kudale:

- Ragging has several aspects with, among others, psychological, social, political, economic, cultural, and academic dimensions.
- Any act that prevents, disrupts or disturbs the regular academic activity of a student should be considered with in the academics related aspect of ragging; similarly, exploiting the services of a junior student for completing the academic tasks assigned to an individual or a group of seniors is also an aspect of academics related ragging prevalent in many institutions, particularly in the technical institutions
- Any act of financial extortion or forceful expenditure burden put on a junior student by senior students should be considered an aspect of ragging for ragging economic dimensions.

- Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestured, causing bodily harm or any other danger to health or person can be put in the category of ragging with criminal dimensions.
- Any act or abuse by spoken words, emails, snail-mails, blogs, public insults should be considered with in the psychological aspects of ragging. This aspect would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to others; the absence of preparing 'freshers' in the run up to their admission to higher education and life in hostels also can be ascribed as a psychological aspect of ragging – coping skills in interaction with seniors or strangers can be imparted by parents as well. Any act that affects the mental health and self- confidence of students also can be described in terms of the psychological aspects of ragging.

DEPARTMENT OF LIBRARY**Report on "Lokmanya Tilak Birth Anniversary"**

1. **Title of Quiz :** Lokmanya Tilak Birth Anniversary.
2. **Duration:** 23 July 2022
3. **Mode of Conduction :** Online
4. **Link for E-Quiz :** <https://forms.gle/xAj8MRdtNeHESFJX6>
5. **Name of Co-coordinator :** Mrs. V. D. Dixit
6. **Number of Participants:** 69
7. **Objectives:**
 - To build confidence among Indians to speak against the government's suppression.
 - His famous declaration "Swaraj is my birthright, and I shall have it" served as an inspiration for future revolutionaries during India's struggle for freedom.
8. **Description:** In response to the notice given by NDLI by Prof. Dr. S. B. Patil sir suggested conducting the e-quiz on the life of Lokmanya Tilak Birth Anniversary in order to celebrate the birth anniversary. With this proposal, Mrs. V. D. Dixit has prepared the e contest. With the help of Librarian Mr. H. R. Kondagurla. The e-certificate was distributed to all participants. **BAL GANGADHAR TILAK BIRTH ANNIVERSARY: INSPIRING QUOTES**

If we trace the history of any nation backwards into the past, we come at last to a period of myths and traditions which eventually fade away into impenetrable darkness. It may be providence's will that the cause I represent may prosper more by my suffering than by my remaining free. Swadeshi and swadeshi will be our cry forever and by this, we will grow in spite of the wishes of the ruler. Life is all about a card game.

Choosing the right cards is not in our hand. But playing well with the cards in hand determines our success. The problem is not the lack of resources or capability, but the lack of will. Religion and practical life are not different. To take sanyas (renunciation) is not to abandon life. The real spirit is to make the country, and your family, work together instead of working only on your own. The step beyond is to serve humanity and the next step is to serve God.

9. **Conclusion:** Due to this event, students get aware Lokmanya Tilak was the first leader of the Indian independence movement. The British colonial authorities called him "The father of the Indian unrest". He was also conferred with the title of "Lokmanya", which means "accepted by the people as their leader". Mahatma Gandhi called him "The Maker of Modern India"

Subject: Permission to conduct guest lecture on “Menstrual Health, hygiene & happiness”.

Respected Sir,

We would like to organize a guest lecture on “Menstrual Health, hygiene & happiness” for girl students and ladies faculties under ICC cell on 8th March 2023.

The main objective of the program is to increase awareness among adolescent girls on Menstrual Hygiene. A positive attitude towards menstruation and menstrual practices needs to be inculcated in the girl child. To ensure this, it is important to make menstrual hygiene a part of health education for the girl child.

The session focusses on teaching management of mental and physical aspects of stress experienced by girls due to menstruation by teaching them: Pranayama to reduce premenstrual tension. Yoga asanas to keep PMS under check. Diet for having healthy periods and regaining lost nutrients.

The guest for this session is **Ms. Reshama Parab, Bhor**. It gives us great pleasure to invite her as a guest for above said program. Kindly, allow us to conduct the session and sanction the remuneration amount of Rs. 1000/-.

Thanking You.

Yours truly.

8. OBJECTIVE:

Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building.

9. Description (program conduction details) / speaker topic explanation:

The Government of India decided to celebrate the 75 years of Independence of India, with great excitement and tribute to freedom fighters. So, they decided to do various programs and the government named the celebration as 'AzadiKaAmritMahotsav'

10. Conclusion:

The Har Ghar Tiranga campaign would help to instill patriotism and nationalism in Indian citizens. It is also a good method to demonstrate our national commitment. As a result, our national flag will be held in higher regard. This campaign would also serve to remind Indian citizens of their duty to the country.

8. OBJECTIVE:

Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building.

9. Description (program conduction details) / speaker topic explanation:

The Government of India decided to celebrate the 75 years of Independence of India, with great excitement and tribute to freedom fighters. So, they decided to do various programs and the government named the celebration as 'AzadiKaAmritMahotsav'

10. Conclusion:

The Har Ghar Tiranga campaign would help to instill patriotism and nationalism in Indian citizens. It is also a good method to demonstrate our national commitment. As a result, our national flag will be held in higher regard. This campaign would also serve to remind Indian citizens of their duty to the country.

One such magnificent person of women's value was Jijamata. Bunts Institute for High

Education observed the Birth Anniversary of Jijamata in the honor of the great lady for her contribution to the life of her son, Chhatrapati Shivaji Maharaj. She was the source of information and motivation not only for her son but for the whole Maratha Empire and our country.

12. Conclusion: The students were motivated to be good citizens of India, thus contributing to the development of the country. Jijamata journey is an example of how a mother can not only transform the fate of the society but also the fate of the nation.
