**CORDINATOR:** Prof. M. B. Bankar

**DISCRPTION:** Mr. Bhargude Vaibhav Mohan , alumni of our college and Founder President of Abhinav Agri mall Shirwal Satara has delivered an inspirational lecture on "Entrepreneurship Skills" at SCSCOE. He introduced the different aspects of entrepreneurship and emphasized that zeal and great idea are the only ingredients in a recipe for business startup. He mentioned that the reason that people do not start their new ventures in a country like India is due to non-awareness amongst the population of India and decides to go for jobs in private or government sectors so as to minimize the risk. Therefore, he emphasized to raise the basic awareness of entrepreneurial concepts and to enable students to identify and learn how to make a mind-set to take up entrepreneurship as a challenging career. He also inspired the students to value the presence of parents as well gurus in their lives. He focused on spirituality and religious approaches in life. He explained in detail about the various attributes of successful entrepreneurs such as drive, communication skills and technical skills. He also highlighted PayTM owner Mr. Vijay Shekhar Sharma's journey towards becoming a successful entrepreneur. The lecture motivated the students to work hard and start a new venture through adequate forward planning and the execution of the plans. At last Prof. Dr. S.K. Pawar, HOD, Mechanical thanked Mr. Bhargude Vaibhav Mohan for his valuable time and motivational words.

## ABOUT THE COLLEGE

Rajgad Dnyanpeeth Technical Campus is established in 2009 with the objective of creating state of the art learning facilities in selected fields of engineering & technology. The Institute has lavish green historical location surrounded by prime industries of Maharashtra. The Institute caters to four disciplines at UG and Diploma viz. Civil, Computer, E&TC and Mechanical Engineering approved by AICTE, New Delhi, recognized by Maharashtra Government and is affiliated to Savitribai Phule Pune University, Pune.

The aim of the institute is providing an enjoyable learning experience to the students throughout their entire tenure in the college. In addition to their academics, students can participate in wide variety of extracurricular activities in the field of arts, sports, & will receive institutional support to excel in those, at both learning as well as competitive levels.

## WORKSHOP OUTLINE

- Overview of the history of Vastushastra its origin to present with reference to Vedic Vastushastra
- Principle of Vastushastra.
- Development of Vastu from mythological age to modern age.

**Subject:** Permission for conducting an Add on Course on "Vastushastra"

Respected Sir,

We would like to conduct an Add on Course on "Vastushastra" for students of an Institute through Civil Engineering department.

The main objective of the program is to provide the knowledge, innovative ideas & novelty to students regarding Vastushastra techniques in Civil engineering field.

The guest speakers will be

- Mr. Abhijeet L. Gaikwad (Mtech.CM) VastuTech Consultancy at Bhor. .

It gives us great pleasure to invite above personals as guest speakers for above said Add on course. Kindly, allow us for the Add on course and sanction the remuneration amount of Rs.3000 /-

Thanking You.

11. Number of Participants: 24
12. Fee details: 100/-
13. Objectives: The main objective of the program was to guide students about how to think innovative idea and how to know about novelty. Also guided about How to implement Vastushastra knowledge in civil engineering field.
14. Outcomes: Practical house planning in accordance with Vastu Shastra principles
15. Description (program conduction details) / speaker topic explanation:

Rajgad Dnyanpeeth's Shri Chhatrapati College of Engineering Civil Department Dhangwadi, Pune has conducted a Workshop on "Vastushastra" on 3<sup>rd</sup> March to 4<sup>th</sup> March 2023 for SE and TE students of Civil Engineering to give information about "Vastushastra" The ultimate objective of the study is to analyse the behaviour of traditional beliefs in house construction with the aid of modern engineering technology and to discuss how meaningful beliefs can be used in modern construction fruitfully Although modern society is at the apex of science and technology, the shadows of traditional customs and beliefs in various fields can be seen. When the field of house construction is considered, traditional beliefs had been playing a

considerable role which can be seen in Asian countries rather than European countries. Since hardly any engineering-based studies have been done to explore the significance of traditional beliefs in house construction.

**16. Conclusion:** The Workshop on “Vastushastra” explained Traditional beliefs in house construction are one of the main knowledge heritages mainly nourished with Vastu Shastra, considerations and faiths which have been transferred from generation to generation. The aim of the study was not to discriminate such beliefs or label them as superstitions. Instead, the study tried to provide rational engineering explanations to selected traditional beliefs which can be studied with the aid of engineering technology.

### AUTO CAD SOFTWARE TRAINING PROGRAM REPORT

DEPARTMENT: Civil

CLASS: SE & TE students

NAME OF RESOURCE PERSON: Mr. Abhijeet Gaikwad (BE, Civil)

FROM: ECADD Institute Bhor.

TITLE/TOPIC: Add on Course on "Auto Cad Software Training Program"

DAY & DATE: 03/10/2022 to 07/10/2022 DURATION OF SESSION: 30hrs

ATTENDIES: 20

CO-ORDINATOR: Prof. S. P. Salunkhe, Prof. S. S. Jadhav

OBJECTIVE: The objective of the Course is to create awareness among participants along with hands-on experience regarding concepts of Auto Cad functions, and its applications.

DESCRIPTION: Department of Civil Engineering organized online Add on Course on "Auto Cad Software Training Program" on 03/10/2022 to 07/10/2022 for SE, and TE Civil students to give information about Auto Cad. This Auto CAD training is created and designed in such a way that helps the learners to gain immense knowledge and understanding about the applications and purpose of the software. With this training the students will get a brief knowledge about the most commonly used tools and functions to create simple and basic projects with AutoCAD. The core objective of this training is to provide students a platform where they can explore and take the right career opportunities by mastering this program.

A student who has studied this course can take up several career options such as AutoCAD operator, AutoCAD draughtsman, AutoCAD engineer and many more more parts can be explored by learning the right skill and technique of the program.

To,  
The Principal,  
Rajgad Dnyanpeeth's  
Shri Chhatrapati College of Engineering  
Dhangwadi, Pune

**Subject:** Permission for conducting Expert lecture of "Working Profile Selection in Industry"

Respected Sir,

We would like to conduct a Expert lecture of "Working Profile Selection in Industry" by Kulkarni Mahesh for students of our Institute through Electronics and Telecommunication Engineering department.

Selecting a working profile in the industry involves assessing your skills, interests, and career goals. Research various roles, consider your strengths, and align them with job requirements. Networking, internships, and informational interviews can provide insights into different profiles. Additionally, staying updated on industry trends helps you make informed decisions about the roles that best suit your aspirations.

The guest speaker will be Kulkarni Mahesh who is our Alumni 2021-2022 batch pass out student.

It gives us great pleasure to invite him as a guest speaker for above said lecture.

Kindly, allow us for the expert lecture and sanction the remuneration amount of Rs. \_\_\_\_\_

Thanking You.

Yours truly.
