### Key Indicator- 6.5 Internal Quality Assurance System

**6.5.2 The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities**

# **1. Description of Academic Monitoring System of the Institute**

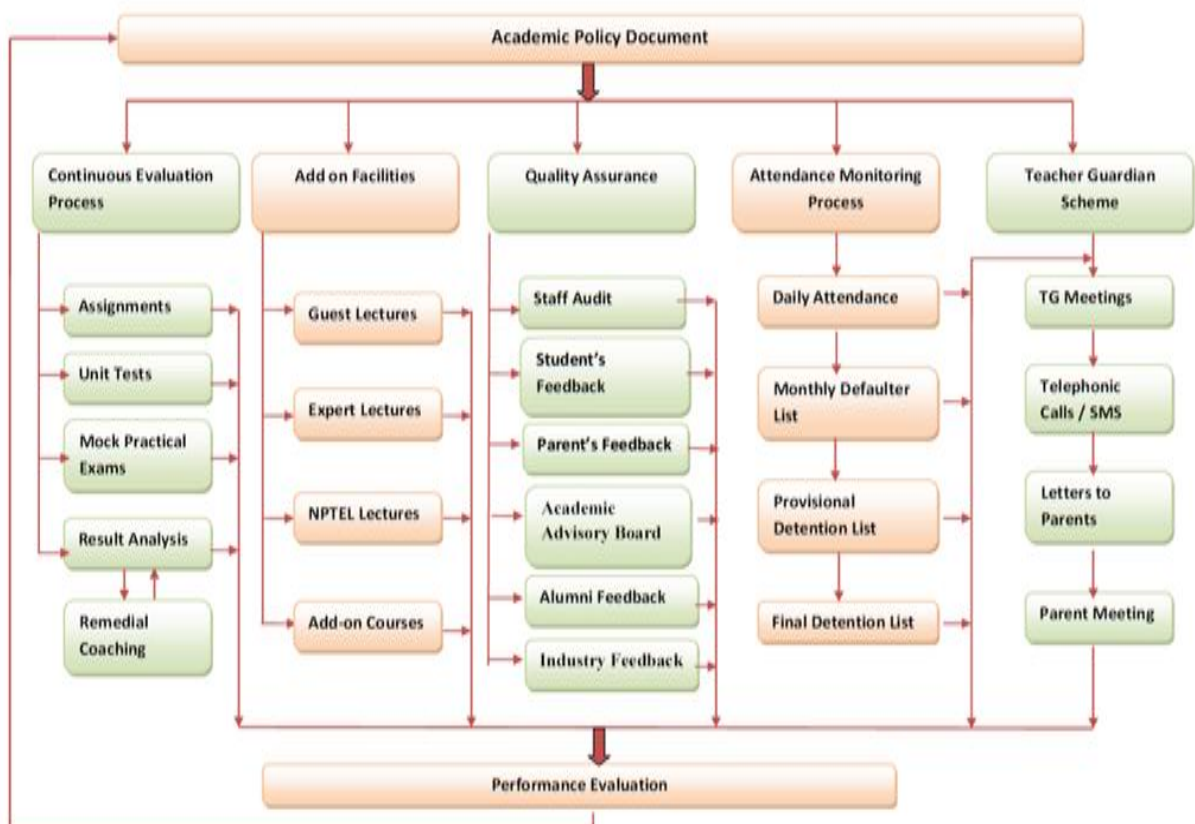

## 1. Description of Academic Monitoring System of the Institute

IQAC monitors and reviews the teaching learning process, structures and methodologies of operations and learning outcomes regularly.

### A) Academic Monitoring System-

Academic Monitoring Committee (AMC) is Institute level committee responsible to regulating and implementing different academic activities for delivering effective teaching learning process. AMC is headed by Academic Coordinator along with department coordinator. Academic Monitoring System under AMC conduct performance evaluation of continuous evaluation process, add-on facilities, quality assurance, attendance and teacher guardian scheme. The AMC committee will check the all academic records of faculty ensuring the consistency to the dates mentioned in the academic calendar for conducting various activities by each department.

## ACADEMIC DIARY

DEPARTMENT : Electronics And Telecommunication  
Engineering

ACADEMIC YEAR : 2023-23

SEMESTER : II

CLASS : BE

SUBJECT : Fiber Optic Communication

NAME OF THE  
FACULTY : Prof. Bandel J. J.

## VISION

Excellent institution for Education, Training and Research in Engineering.

## MISSION

- ▶ Develop competent engineers along with professional skills and responsible citizen
- ▶ Foster knowledge and technical skills of the highest standards to develop sustainable engineering solution.
- ▶ Prepare engineers to respond needs of the industry, higher studies and research through industry and institute interaction

## QUALITY POLICY

- ▶ RD's SCSCOE striving to impart quality technical education to meet expectations of stake holders by adopting best possible standards with awareness of social responsibility.

Name of the subject ..... Fiber Optic Communication .....

### Teaching Scheme

Lectures: ..... 3 ..... hours/week  
 Practical: ..... 2 ..... hours/week  
 Tutorial: ..... hours/week  
 Total ..... hours/week

### Examination Scheme

In-sem Examination ..... 30 ..... Marks  
 End-Sem Examination ..... 70 ..... Marks  
 Oral Examination ..... 50 ..... Marks  
 Practical Examination/Two ..... 25 ..... Marks

Name of Course: ..... Fiber Optic Communication .....

### Course Objectives:

1. To familiarize learners with various components & equipments used in fiber optic communication systems.
2. To study the impact of choice of components on system design.
3. To introduce students to the WDM components and their role in capacity upgrade.
4. To extend the fundamentals to design and analysis of optic communication links.
5. Students to the measurement standards, specifications and state of art developments in optical network.

### Course Outcomes:

1. Explain the working of components and measurement equipments in optical fiber networks.
2. Calculate the important parameters associated with optical components used in fiber optic telecommunication systems.
3. Compare and contrast the performance of major component in optical links.
4. Evaluate the performance viability of optical links using the power and rise time budget.
5. Design digital optical link by proper selection of components and check its viability using simulation tools.
6. Compile technical information related to state of art components, standards, simulation tools and current technological trends by accessing the online resources to update their domain.

**Expert/ Guest Lecture on “Introduction to Water Supply Engineering & Water Treatment Methods”**

Date: 26/07/2022

- 1. Program type:** Expert Lecture/ Guest Lecture
- 2. Event Name:** Introduction to Water Supply Engineering & Water Treatment Methods
- 3. Attendees:** T.E Civil students
- 4. Name and Designation of Resource Person :** Prof. J. P. Chaudhari, Assistant Professor
- 5. Company / Institute of Resource Person:** Sinhgad College of Engineering, Pune
- 6. Event coordinator:** Prof. G. S. Yadav
- 7. Date of Execution:**25/07/2022, Monday
- 8. Duration of Event:** 11.30am-1.30pm
- 9. Venue of event / Link:** ICT Classroom (Classroom No-103)
- 10.Number of Participants:** 50
- 11. Fee details:** Free
- 12. Objectives:** The main objective of the program was to guide students about the knowledge, innovative ideas & novelty to students regarding Basics of Water Supply Engineering & Advanced Water Treatment Methods in Civil engineering field.

**13. Outcomes:** The main outcome of this expert lecture is students will understand the basics of industrial wastewater treatment. Students will be more aware of the proper use of water.

**14. Description (program conduction details) / speaker topic explanation:**

Prof. J. P. Chaudhari was explained about Introduction to water supply scheme. Principles of water treatment operations and processes. They give knowledge about Advanced Water Treatment techniques like Disinfection, chlorination, Water softening methods. The discussion on Water distribution system in India.

**15. Conclusion-** Prof. J. P. Chaudhari was explained introduction on water supply scheme & advanced water treatment methods. They discuss on Government of India initiatives for water supply and treatment method.

## APPRECIATION LETTER

To,

**Prof. J. P. Chaudhari**

Sinhgad College of Engineering,

Pune, Maharashtra- 411041

On behalf of the Rajgad Dnyanpeeth's Shri Chhatrapati Shivajiraje College of Engineering Dhangwadi, Pune, we wanted to express our deep gratitude to you for conduction of Expert / Guest Lecture on the topic "Introduction to Water Supply Engineering & Water Treatment Methods" on 25<sup>th</sup> July 2022. It was really informative and useful. Definitely all the participants have benefited from your talk.

We are very much thankful to you for making it convenient to be with us.

Once again, thank you for making the webinar successful, and we expecting your continues support in future also.

Yours Truly,

### Feedback Analysis & Action Taken Report AY 2022-23

Sr. No.	Stake Holder	Feedback Analysis	Action Taken
1	Students(Faculty Feedback)	Poor feedback for particular subject teacher.	Faculty conducted more numbers of lectures and provided hand written to student. And also took more practice session for this subject.
2	Students(Course Feedback)	Course contents should cover sufficient analytical components.	Submitted feedback report to SPPU for corrective action
3	Faculty	Training to faculty is required for implementation of new syllabus and trained faculty for industrial requirement .	Faculty have attained online/ offline FDP/ Induction Programme /Refresher course etc. during the year
4	Alumni	Technical Knowledge is poor for placement. Required hands on training session for industry placement.	More number of skill development Programme, industrial expert session & hands on training are conducted.
5	Parents	Provide communication skill training and Industrial skill training for placement.	Conducted communication skill training and Industrial skill training for placement

**Subject- Regarding outcome of the feedback analysis on curriculum**

Respected Sir,

As part of continuous improvement in curriculum the feedback was taken from various stake holders such as Students, Teachers, Parents, and Alumni for the Academic Year 2022-23. The outcomes from the feedback are as follows.

**Students Feedback:**

1. Our faculty is good & they provide us a proper guidance. And our faculty is try to find out student queries.
2. Course contents should cover analytical components.

**Teachers Feedback:**

1. Practical Training to faculty as per new syllabus is required.
2. Best college facilities, accommodation & provide transport facility.

**Alumni Feedback:**

1. College should give hands on training to students.
2. Faculties are good & explain the each concept thoroughly & give proper guidance regarding campus interview.

**Parent Feedback:**

1. Suggested more core companies and software companies for placement for the students.
2. Provide employability skills and communication skills to the students.
3. Focus on technical knowledge and industry requirements from students.

Thanking You

Yours Sincerely

Subject: Warning for Poor Performance

This letter serves as a written warning to you regarding your poor performance in the latest feedback as revealed by your performance reports. We have monitored your performance and it has occurred to us that the ratings are not satisfactory and you have consistently failed to meet students expectations.

Your HOD has already discussed with you on this matter and we are hereby sending this official written warning to you. If we do not see any significant improvement in your performance, we will have no choice but to terminate your employment with us. We recommend you to treat this matter with utmost importance and seriousness.

Note that a copy of this letter is attached in your employment record.

Looking forward to seeing a drastic improvement in your performance.

Sincerely,

## **1. Description of Internal Examination System**

The Institute has constituted an examination committee which takes care of examination related work at institute level. Examination Cell Incharge and departmental coordinators communicate all examination related matter to staff and students through notice and displays them on the respective department notice board. The institute follows the regulations of Savitribai Phule Pune University, Pune for the assesment process of the theory and practical subject marks. An academic calendar of department is available on the notice boards of the Departments. Thus, students know about the dates of examinations well in advance and they can plan their study accordingly. Students are made aware of various parameters of Internal Examination Evaluation System. The internal marks are based on the Unit tests, Prelim Test, Mock Test and Practical/Oral examination for theory courses.
