Subject: Invitation for conduction of Seminar on **"Fiber Optics and Measurement Equipment Testing"**

Respected Sir,

On behalf of Rajgad Dnyanpeeth's SCSCOE College, I am very pleased to have the honor of inviting you to conduct Workshop on **"Fiber Optics and Measurement Equipment Testing"**

We will be arranging the workshop schedule per your convenience. We are expecting approximately 50 faculty from Our Institute.

Please let us know if you will require any audio-visual equipment or additional technological support. I look forward to meeting you at our Campus.

Best wishes.

SEMINAR REPORT

DEPARTMENT: E&TC

CLASS: BE

NAME OF GUEST: Mr. Abhishek Kumar and Mr. Govind Jadhav

FROM: Edge World Technologies Pvt. Ltd.

TITLE/TOPIC: Fiber Optics and Measurement Equipment Testing

DATE: 06/01/2016

DURATION OF SESSION: 2Hrs

STUDENT/ STAFF PRESENT: 51/02

CO-ORDINATOR: Prof L. M. Sagale

OBJECTIVE: The Main objective of this seminar to explore the students with Fiber Optic Communication System domain along with industrial job nature and entrepreneurship exposure.

DESCRIPTION: Department of Electronics and Telecommunication organized seminar on Fiber Optics and Measurement Equipment Testing for Final Year students to help them to understand importance of fiber optic in communication. The Edge World Technology provides advance and quality test and measurement Telecommunication products to valued customer along with industry ready professional training to technical graduates.

The following points discussed during seminar:

- Telecommunication Technology
- Future Scope based on Employment
- Different test and Measurement Industry
- Digital India- Base Projects
- Smart City Role and Project based on it
- Entrepreneurship Exposure

CONCLUSION: Really its proud feeling that such a noble fraternity is providing needful based on Fiber Optics and Measurement Testing from Employment/Entrepreneurship point of view for our students.

Respected Sir,

On behalf of the Rajgad's Shri Chhatrapati Shivajiraje College Of Engineering , we wanted to express our appreciation to you for the workshop on "**Fiber Optics and Measurement Equipment Testing**". It was extremely informative, and participation illustrated the importance of this topic to computer network and communication.

Edge World Technologies Pvt. Ltd. Waves Techno-Vision LLP is an excellent firm, and we appreciate your personally taking time to provide us with the timely information.

Once again, thank you for making the workshop successful, and we appreciate your continued support.

Sincerely,

WORKSHOP REPORT

DEPARTMENT: **E&TC**

CLASS: **T.E. & B.E.**

NAME OF GUEST/EXPERT: **Mr. B. S. Bhosale**

FROM: **VCB Electronics, Khed Shivapur**

TITLE/TOPIC: **“Embedded Systems”**

DAY & DATE: **10th Sept 2015**

DURATION OF SESSION: **1 day**

STUDENT/ STAFF PRESENT: **77/5**

CO-ORDINATOR: **Prof. D. U. Dalavi**

OBJECTIVE: The main objective of the program was to impart in depth knowledge of application of Embedded System Design. The knowledge gained by the students from this workshop can be extremely helpful for their project selection and completion on embedded system

DESCRIPTION: Department of Electronics and telecommunication organized Workshop on **“Embedded Systems” on 10th Sept 2015** for TE and B.E. E&TC students to enhance their knowledge in industry. Embedded system is the core of every intelligent device. Everything around you from a simple watch to the space ship is using embedded systems. Your mobile phones, PDAs, Washing Machines, Microwave Ovens, Automobile and all the automated electronics gadgets are having one or another form of embedded systems responsible for their intelligent functioning. Electronic devices are rapidly finding applications in many of the areas, from simple coffee vending machines to space science to environmental friendly products such as big belly etc.

The architectural designs of CPU are RISC (Reduced instruction set computing) and CISC (Complex instruction set computing). CISC has the ability to execute addressing modes or

Rajgad Dnyanpeeth's

SHRI CHHATRAPATI SHIVAJIRAJE COLLEGE OF ENGINEERING

Gat No. 237, Pune Bangalore Highway, Dhangawadi, Tal – Bhor, Dist- Pune (Maharashtra)

multi-step operations within one instruction set. It is the design of the CPU where one instruction performs many low-level operations.

A von Neumann architecture has only one bus which is used for both data transfers and instruction fetches, and therefore data transfers and instruction fetches must be scheduled - they can not be performed at the same time. It is possible to have two separate memory systems for a Harvard architecture

CONCLUSION: Students learned application of embedded system. Also they are able to understand the difference between the architectures. The workshop is helpful to select project topic and completion of projects.

On behalf of the Department of E&TC Engineering of RDTC's Shri Chhatrapati College of Engineering Dhangwadi, Pune, we wanted to express our appreciation to you for the Workshop on "Embedded Systems" on 10th Sept 2015. It was extremely informative and we appreciate your personally taking time to provide us with the timely information. Definitely all the participants have benefited from your talk and we are very much thankful to you for making it convenient to be here at our place.

Once again, thank you for making the workshop successful, and we appreciate your continued support in future.

Sincerely,

Student Feedback Form

Students are required to rate the course on the following attributes using the 4 -point scale shown.

Course: [tick (✓) in the relevant cell]

Parameters	A Very Good	B Good	C Satisfactory	D Unsatisfactory
1. Overall rating of the course content	✓			—
2. Course objectives were clear		✓		
3. Clarity and relevance of textual reading material	✓			
4. The teacher was effective in communicating the content of the course	✓			
5. The teacher responded to questions in an informative, appropriate and satisfactory manner.	✓			
6. Do you have any suggestions for future workshops that you would like us to organize?	Yes			
7. Would you recommend this course to other students?	Yes			
Any Other Comments-	Please arrange next time for 2-3 days

Respected Sir,

On behalf of Rajgad's SCSCOE, I am very pleased to have the honor of inviting you to conduct Seminar on "Career growth and opportunities in PLC, SCADA and HMI "

We will be arranging the workshop schedule per your convenience. We are expecting approximately 80 students from Our Institute.

Please let us know if you will require any audio-visual equipment or additional technological support. I look forward to meeting you at our Campus.

Best wishes.

SEMINAR REPORT

DEPARTMENT: E&TC

CLASS: TE & BE

NAME OF GUEST: Mr. Sagar Jagtap and Mr. Choudhari

FROM: Winspire India, Pune

TITLE/TOPIC: PLC SCADA and HMI

41

DATE: 09/09/2015

DURATION OF SESSION: 2Hrs

STUDENT/ STAFF PRESENT: 83/5

CO-ORDINATOR: Prof D. U. Dalavi

OBJECTIVE: The Main objective of this seminar to explore the students with exactly is PLC, SCADA and HMI and platform to showcase the ideas for new innovative projects in association with industry and its application.

DESCRIPTION: Department of Electronics and Telecommunication organized seminar on PLC SCADA AND HMI on 09/09/2015 for Third Year and Final Year students to help them tounderstand industry expectations and importance of PLC, SCADA and HMI in Automation Field. For the same resource person was Mr. Sagar Jagtap who is marketing manager and Mr. Choudhari who has five years of industry experience. Winspire India is well known company in PLC, SCADA and HMI in Industry.

Mr. Sagar Jagtap and Mr. Choudhari delivered seminar of two hours in the seminar they covered the following points:

- General introduction of PLC, SCADA and HMI
- Current automation companies in market
- Automation companies expectations from students
- Working of PLC and SCADA

- Different modules of **PLC, SCADA & HMI**.
- At the last Interaction with Student.

Event Coordinator Asst. Prof. L.M.Sagale gives the vote of Thanks.

CONCLUSION: Really it's a proud feeling that such a noble fraternity is providing the needful information about **PLC, SCADA & HMI** from the student employment point of view. Also it provide the General awareness about **PLC, SCADA & HMI** also the company expectation from the student. It really gives us a immense pleasure to be with associated with them.

WORKSHOP REPORT

DEPARTMENT: **E&TC**

CLASS: **B.E-2015**

NAME OF GUEST/EXPERT: **Mr. Gajendra Patel**

FROM: **Router mania Pvt. Ltd**

TITLE/TOPIC: **“Career Growth and Opportunities in CCNA”**

DAY & DATE: **Friday -21.8.2015**

DURATION OF SESSION: **30 hrs**

STUDENT/ STAFF PRESENT: 46

CO-ORDINATOR: **Prof. D.U.Dalavi.**

CO-COORDINATOR: **Prof. L.M.Sagale**

OBJECTIVE: Main Objective was to explore the students with what exactly are CCNA and the platform to showcase the ideas for new innovative projects in association with industry & its application.

DESCRIPTION: The Rajgad Dnyanpeeth's Technical Campus, Shree Chhatrapati Shivajiraje College of Engineering, Dhangawadi, Department of Electronics and Telecommunication organized 15 days workshop under Student Welfare Activities from 21/08/2015 to 04/01/2015 in B.E E&TC Class Room which is on “Carrier Growth and Opportunities in CCNA” for B.E E&TC Students to help them to understand the Industry expectation and Importance of CCNA in Networking Field. For the same the resource person was Mr. Gajendra Patel who has 8 Years Industry Experience and who is Director of Router mania Tech. which is purely Networking Base Company located in Dhankawadi, Pune since year 2006. Along with him Company H.R manager Miss. Anita Rajput and Two Technical experts also present for the workshop. Principal Dr.S.B.Patil issued a notice about the seminar on 18/07/2015. Asst.Prof.D.U.Dalavi is appointed as a Event Coordinator for the same. Asst. Prof. M .S .Sapte. Host the event, Prof. T. M. Dudhane who is HOD of the E&TC Department and Asst. Prof. D.U. Dalavi Felicitate the Guest and shares the benefit of such kind of Seminar in Student life. 46 Students from B.E Class attended this seminar.

Mr.Gajendra Patel sir delivered the seminar up to 2 Hours, in that following are the Points he covered.

SHRI CHHATRAPATI SHIVAJIRAJE COLLEGE OF ENGINEERING

Gat No. 237, Pune Bangalore Highway, Dhangawadi, Tal – Bhor, Dist- Pune (Maharashtra)

- General Introduction of CCNA.
- Current Networking Companies Scenario.
- Networking Companies Expectation from the students.
- How to Face Networking Company Interviews.
- Different Levels of CCNA and its Modules.
- At the last Interaction with Student.

CONCLUSION: CCNA provides a comprehensive introduction to deploying Router and Switches in computer networks. Students will learn to identify the major components of a computer system, to define basic computer and networking terminology, and to describe the benefits and functions of the OSI reference model. It really gives us an immense pleasure to be with associated with them.

WORKSHOP REPORT

DEPARTMENT: E&TC

CLASS: BE

NAME OF GUEST: Mr. Pushkar More

FROM: Patronix Technologies Pvt. Ltd.

TITLE/TOPIC: Raspberry Pi

DATE: 03/08/2015

DURATION OF SESSION: 2Hrs

STUDENT/ STAFF PRESENT: 75/10

CO-ORDINATOR: Prof L. M. Sagale and Prof. A. S. Velapure

OBJECTIVE: The Main objective of this workshop to discuss what a Raspberry Pi is, the different models that are available and their qualities. Also this workshop will helpful to learn OS installation on SD card.

DESCRIPTION: Department of Electronics and telecommunication organized Workshop on “Raspberry Pi” on 03rd Aug 2015 for B.E. E&TC students to enhance their knowledge in internet of things.

The Raspberry Pi is a low cost, credit-card sized computer that plugs into a computer monitor or TV, and uses a standard keyboard and mouse. It is a capable little device that enables people of all ages to explore computing, and to learn how to program in languages like Scratch and Python. The Raspberry Pi is a very cheap computer that runs Linux, but it also provides a set of GPIO (general purpose input/output) pins that allow you to control electronic components for physical computing and explore the Internet of Things (IoT). To install Raspbian, you will need to write the operating system image file onto the SD card. Start by uncompressing the ZIP file you downloaded from raspberrypi.org. The raspberry pi boards are used in many applications like Media streamer, Arcade machine, Tablet computer, Home automation, Internet radio, Controlling robots, Cosmic Computer, Hunting for meteorites, Coffee and also in raspberry pi based projects.

CONCLUSION: After the workshop students are able to understand the Raspberry Pi is a powerful little beast and a great platform for building low-cost, but highly capable, embedded systems. Students are able to understand the application of Raspberry pi and job opportunities in Internet of things

Seminar Report

On

“Enlightening Students through their academic projects for placement as well as career point of view”

As per the guidance of AICTE, DTE and Savitribai Phule University of Pune, The Rajgad Dnyanpeeth's Shree Chhatrapati Shivajiraje College of Engineering Dhangwadi, Department of Computer Engineering organized under **Student Welfare Activity** on 17/17/2015 at 11.30 AM in seminar hall which is on “Enlightening Students through their academic projects for placement as well as career point of view” for the final year students to help them to select their academic projects. For the same the resource person is **Mr. Parth Doshi** and **Ms. Vrushali Khopkar** Active employee of OPULENT InfoTech, Pune has successfully conducted and completed Training & Placement orientation seminar on the same.

Principal Dr. S. B. Patil issued a notice about the seminar on 16/07/2015. Prof. V. N. Vanarote appointed as Event Coordinator for the same. Prof. B. D. Thorat HOD of Computer Department felicitates the guest and share the benefit of such kind of seminar in student life. Around 30 students from final year attended this seminar.

Mr. Parth Doshi sir and Ms. Vrushali Khopkar madam delivered the seminar up to 2 Hours, in that focused objectives.

OBJECTIVE: Main objective was to explore the students with what exactly is engineering and the platform to showcase the ideas for new innovative projects in association with industry. Needful information related to campus recruitment and also employment guarantee through academic project.

Event coordinator Prof. V. N. Vanarote gives the vote of thanks.

CONCLUSION: Really it's a proud feeling that such a noble fraternity is providing needful information from the employment point of view for our students. It really gives us an immense pleasure to be with associated with them.

Opulent Infotech,

Pune

We express our immense gratitude for having you at our college to conduct a fabulous sessions on "Enlightening Students through their academic projects for placement as well as career point of view". It was our pleasure for having a person like you at our institute. We take this opportunity to tell you this with pride that our student thoroughly enjoyed your entire sessions. We would like to know if you ever need our support.

Thank You so much.

Subject: Invitation for conduction of Seminar on "Recent Trends in Embedded Systems and RTOS"

Respected Sir,

On behalf of RD's SCSCOE College, I am very pleased to have the honor of inviting you to conduct Seminar on "Recent Trends in Embedded Systems and RTOS"

We will be arranging the workshop schedule per your convenience. We are expecting approximately 70 students from our Institute.

Please let us know if you will require any audio-visual equipment or additional technological support. I look forward to meeting you at our Campus.

Best wishes.

SEMINAR REPORT

DEPARTMENT: E&TC

CLASS: TE & BE

NAME OF GUEST: Mr. Chinmay Oak

FROM: Excel Technologies, Katraj

TITLE/TOPIC: Recent Trends in Embedded Systems and RTOS

DATE: 02/07/2015

DURATION OF SESSION: 2Hrs

STUDENT/ STAFF PRESENT: 90/5

CO-ORDINATOR: Prof D. U. Dalavi

OBJECTIVE: The Main objective of this seminar to explore the students with exactly Embedded industry Expectations are and also provide the platform to showcase the ideas for new innovative projects in association with industry and its application..

DESCRIPTION: Department of Electronics and Telecommunication organized seminar on Recent Trends in Embedded System and RTOS on 02/07/2015 for Third Year and Final Year students to help them to select their Mini Project and Final Year Project . The resource is Mr. Chinmay Oak who has 5 Years Industrial Experience and who is owner of Excel Technologies which is purely Embedded Base Company located in Katraj since 2004. Principal Sir Dr. S. B. Patil sir issued a notice about the seminar on 30.06.2015. Prof. D. U. Dalavi is appointed as a Event Coordinator for the same. Prof. M. S. Sapte host the event , Prof. T. M. Dudhane who is Head of Department of the E & TC Department Felicitate the Guest and shares the benefit of such kind of Seminar in Student life.

Embedded system is core of every intelligent device . Everything around you from a simple watch to space ship is using Embedded systems. Everything phones, PDA's Washing Machines, Microwave ovens, Automobile and all automated gadgets are having one or another form of embedded system responsible for their intelligent functioning.

Mr. Chinmay Oak delivered the seminar on following Points.

- General Introduction to Embedded System and RTOS
- Embedded Device Development Cycle
- How to execute the BE and TE level Project
- General Expectation of Company from Student Side
- How to Face the Interview

Event Coordinator Prof. D.U.Dalvi gives the vote of Thanks.

CONCLUSION: “Recent Trends in Embedded System and RTOS provides a comprehensive introduction about what exactly industry demands from the students. It really gives us an immense pleasure to be with associated with them.

Respected Sir,

On behalf of the RD's Shri Chhatrapati Shivajiraje College Of Engineering , we wanted to express our appreciation to you for the Seminar on "Recent Trends in Embedded Systems and RTOS". It was extremely informative, and participation illustrated the importance of this topic to advanced microcontrollers and Internet of things.

Excel Technologies Pvt.Ltd. is an excellent firm, and we appreciate your personally taking time to provide us with the timely information.

Once again, thank you for making the seminar successful, and we appreciate your continued support.

Sincerely,

Prof. D. U. Dalavi
