Tree Plantation Report 2017

DEPARTMENT: All

CLASS: S.E/T.E/B.E

TITLE/TOPIC: **Tree Plantation**

DAY & DATE: - **Monday, 09 July 2017**

DURATION OF SESSION: **2 hrs.**

STUDENT/ STAFF PRESENT: **40/50**

CO-ORDINATOR: **Asst. Prof. D. U. Dalavi.**

OBJECTIVE:

The main objective of the Tree Plantation Program is to promote protection, preservation, improvement and monitoring of environment in the College Campus.

DESCRIPTION:

Rajgad Dnyanpeeth's Shri Chhatrapati Shivajiraje College of Engineering, successfully completed the event of tree plantation at college campus on 09 July 2017. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

The tree plantation programme began with students gathering in the back side of college & ground. In the spirit of the day, they had brought small little saplings to be planted in college ground. The gardener helped them plant their trees. . All the students were very enthusiastic and thoroughly enjoyed the planting process, even though they all got wet and muddy they loved it. We had our respected Principal Prof. Dr. S. B. Patil and Estate Manager Mr. R. S. Khamkar, and All head of Department, which added to the feel of the event, they also took part in the event and planted trees. Tree planting event connected the students to the benefits of trees and fostered environmental sensitivity in them. It also brought them closer to the environment.

Principal Prof. Dr. S. B. Patil all with all HOD's guiding the students throughout the event.

At end Prof. D. U. Dalavi thanked all the students and staff for their enthusiastic participation in the event.

CONCLUSION: Really it's a proud feeling that such a tree plantation. Trees should be regularly planted to save the mankind and the animal world. Tree plantation and its after-care is a pleasing work too. We can get much pleasure in planting trees and in taking care of them. Students should plant trees in their College-compounds and in the front-yards, backyards and side-yards of their College and near their own houses and in other places wherever possible. They should explain to their neighbours the goodness of tree-plantation and encourage them to plant and care new trees.

Balaji Temple

Collection of waste by students and staff at
Ketkawale village

On fifteenth day 29/09/2017 at RDTC'S SCSCOE, Dhangawadi all staff and student gathered together to take pledge of Clean India, as **"We will clean area near about my village daily, & I**

will never throw a waste material in public place. I will try to make my village as open-defecation free village."

Clean India Campaign at RDTC'S SCSCOE, Dhangawadi

On sixteenth day 30/09/2018, our Principal has given a lecture on Clean India Campaign, He said that, "Sanitation is more important than Independence" India is still a developing country because of the poverty, lack of education, lack of cleanliness and other social issues. We need to eliminate all the bad reasons from the society causing obstruction in the growth and development of our country. Only the success of cleanliness campaign can bring a huge positive change in the India. It will support the internal and external growth and development of everyone living in India which shows us the completeness of slogan of **"Clean, Happy and Healthy Citizens imparts Healthy and Developed Nation"**.

Prof. Dr. S. B. Patil has given overall review on **Clean India Campaign**

The objectives of Swachh Bharat include Run by the Government of India, the mission aims to achieve an "open-defecation free" (ODF) India by 2 October 2019, the 150th anniversary of the birth of Mahatma Gandhi.

At the end of this campaign seeks to achieve the goal of Clean India. With the help of Clean India campaign student and staff spread message of cleanliness, by cleaning area and spread awareness regarding cleanliness.

Swachha Bharat Abhiyan is not just about cleaning surroundings but also seeking the participation of people in planting tree, creating trash-free environment, providing sanitation facilities and paving a way for Swachh Bharat eventually. A Clean India is of utmost importance for promoting the nation as an ideal destination for tourists from across the world. Images of unclean India often become a matter of embarrassment for Indians therefore this is the right time and opportunity to participate towards Swachh Bharat. This campaign will not only help citizens adopt good habits of cleanliness but also boost our image as a nation, sincerely working towards cleanliness

CONCLUSION: People get aware about cleanliness and to ensure the hygiene all over the country, it is very necessary to solve the problems of sanitation, safe toilet, and proper waste management.
