Welcome to Training & Placement of Rajgad Dyanpeeth's Shri Chhatrapati Shivajiraje College Of Engineering The Placement Cell plays a crucial role in locating job opportunities for Under Graduates passing out Students from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates. The number of students placed through the campus interviews is continuously rising. On invitation, many reputed industries visit the institute to conduct interviews at our campus.

We have been successful in maintaining our high placement statistics over the years and the fact that our students bear the recession blues with record breaking placements itself is a testimony to our quality. Our ingenious alumni have set new standards in the corporate world through their estimable contributions and it is my firm conviction that we will continue that legacy in the years to come.

2.T&P Structure:

3.T& P Activities:

Training is provided on soft skills by expertise:

Mock interview training

Counseling on Competitive exams, GATE

Training provided to students on Aptitude skill & Technical Skill

AMCAT For Development of Students

Seed IT Idiol Contest At Institute

Training for students on personality development

Carrier counseling session by expertise

Two Days Workshop on Personality Development & Communication skill

Step towards student development through CISCO certified courses

2nd NATIONAL CONFERENCE ON RESEARCH, DESIGN AND DEVELOPMENT IN ENGINEERING, MANAGEMENT AND SCIENCES

4.Campus Drives:

5.Industrial Visit:

Industrial visit has its own importance in a career of a student who is pursuing a professional degree. It is considered as a part of college curriculum and objectives of industrial visit is to provide students an insight regarding internal working of companies. We know, theoretical knowledge is not enough for making a good professional career. With an aim to go beyond academics, industrial visit provides student a practical perspective on the world of work.

Industrial visits represent important activities in any engineering undergraduate programmed that contribute to the achievement of various essential learning outcomes and programmed objectives. In our institute we carried out various industrial visits to enhance the skill & Practical Knowledge of Students.
